

Fake "Cake"

Makes 4 slices.

CACFP credit: 1 slice counts as 1 dessert bread/grain serving and 1/2 cup fruit.

Serve desserts 2 times per week or less.

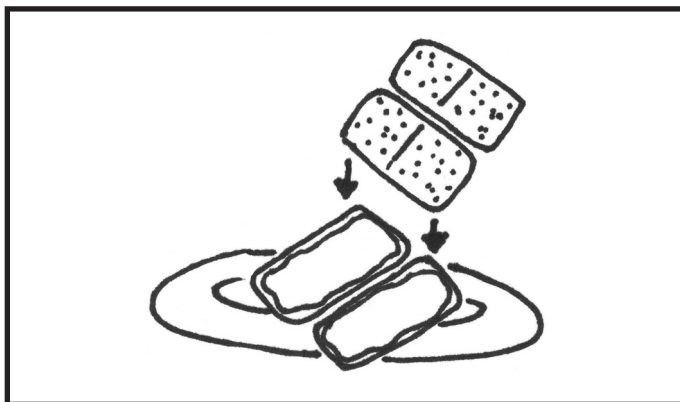

Recipe from: Adrienne, Day Care Resources Dietitian

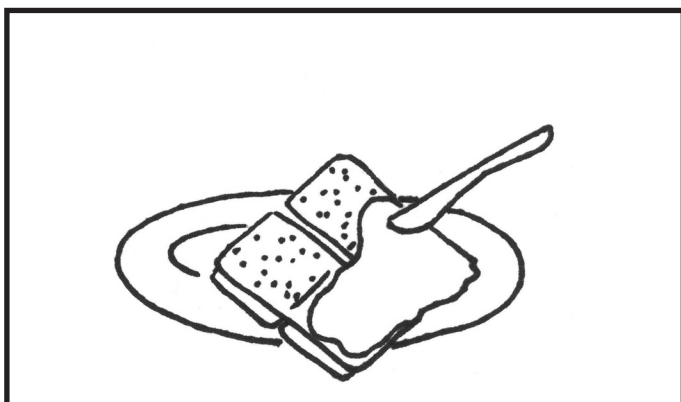

1. You will need 10 graham cracker sheets and 2 cups applesauce. Place 2 graham cracker sheets on a plate, side by side.

2. Spread 1/2 cup applesauce on top.

3. Place 2 graham cracker sheets side by side on the top in the opposite direction.

4. Spread 1/2 cup applesauce on top. Add more layers until all the graham crackers are on the cake.

5. Frost with whipped topping.

6. Refrigerate overnight. Cut into 4 pieces.
